

EUREKA ENERGY COMMITTEE: (Ord. No. 731-C.S., adopted 12/2/2008)

Section 33.150. Establishment and Title. The Eureka Energy Committee is hereby established. The Committee shall consist of seven (7) members appointed by the Mayor and subject to approval by the City Council. Each Committee member shall serve for a term of four (4) years commencing January 1, and ending December 31, or as soon thereafter as his/her successor is appointed and qualified. No committee member shall serve more than two (2) consecutive terms. No member shall serve simultaneously on more than one (1) board or commission.

Section 33.151. Role of the Committee. The Eureka Energy Committee shall:

- A. Study, evaluate and make recommendations to the City Council, Commissions, or City staff as appropriate regarding energy efficiency, energy conservation and conversion to greener energy sources within the community.
- B. Study, evaluate and provide energy information, education and program administration to the City Council, Commissions, or City staff as appropriate.
- C. Advise the City Council, Commissions, or City staff as appropriate on energy considerations in City planning and regulation.
- D. Advise the City Council, Commissions, or City staff as appropriate on the potential ways for the City to generate its own energy.

Section 33.152. Meetings. The Energy Committee shall hold regular meetings once monthly or as necessary on call of the Chair.

Section 33.153. Membership. The Energy Committee shall consist of seven members who shall be selected for their interest, knowledge, or experience in energy usage, conservation, regulation and/or generation.
