RFQ PHASE RFI –RESPONSES
Project Number: 104.18

Addendum 1

Old Town Sewer Repair Project

Please note the following comments and/or questions, and the responses, resulting from a Design-Build entity's review of the Request for Qualifications documents for said project. RFQ responses are due December 21, 2015. Only prequalified D-B entities will be eligible to submit a proposal for this project.

1) In order to provide the most competitive price, we will need more information than was in your RFQ. ***ANS: We are currently circulating the RFQ in order to prequalify entities seeking to bid on this project. More information will be included in the RFP, and provided to the D-B entities that meet the minimum requirements to perform the work.***

2) Will the City require Builder's Risk insurance on this project? ***ANS: The City of Eureka's insurance requirements were provided as an attachment to the RFQ. At this time, the City will require Builder's Risk insurance for this project.***
