CHARGES

Date Adopted: March 9, 1976

File 2.49
Number

POLICY OBJECTIVE

To make allowances in the City sewer rate for reduced flow into sewers caused by evaporation of water during laundry processes.

ASSIGNED RESPONSIBILITY

Finance Director/Assistant City Manager

APPLICABILITY

Applicable to all laundries in the City whose laundering processes result in a significant evaporation of metered water not subsequently discharged into the sanitary sewer.

POLICY:

- A. It is the responsibility of the laundry operator to make application to the Finance Director for sewer rate reduction. The applicant shall include an estimate of the amount of water evaporated during the laundry process.
- B. If the Finance Director believes that a significant amount of water is diverted and not subsequently discharged into the sewer, he may authorize a reduction in the sewer rate. Such reduction shall be proportionate to the amount of water diverted.
- C. The Finance Director shall notify the Public Works Director of his ruling.
