**RE: Eureka Recycler’s Exclusion Declaration**

Dear Eureka Property Owner/Tenant:

As you are aware, City of Eureka staff determined that your property qualified for an exclusion from the mandatory garbage and recycling requirements contained in the City’s Solid Waste ordinance from July 2020 through June 2021. Included in this correspondence is a Recycler’s Exclusion Declaration application. To continue receiving this exclusion after June 30, 2021, you must submit another application to the City for approval **by June 1, 2021 (and each year thereafter)**. Once received, city staff will review the new application to again determine if your property continues to qualify for the exclusion.

By signing the Declaration, you have affirmed that the information you provided to the city is true and accurate and have thereby agreed to legally recycle, compost and divert out of the landfill virtually all of your property’s solid waste in the manner described on the Declaration. Further, you have acknowledged that any significant deviation from what has been declared may be considered a violation which can result in the revocation of this exclusion, and/or result in the assessment of penalties under Eureka Municipal Code section 10.99.

Thank you for doing your part to recycle and divert virtually all of your waste from the landfill. Your efforts are admirable, and together with others, you are helping to improve public health in our neighborhoods and assist Eureka in meeting the State’s ambitious waste diversion mandates. Should you have any questions or concerns about this exclusion or the City’s ordinance, please don’t hesitate to contact me at 707-441-4206 or at rpraszker@ci.eureka.ca.gov.

**Due to COVID-19, we highly encourage you to scan and email the form to rpraszker@ci.eureka.ca.gov**

Sincerely,

Robin Praszker

Robin Praszker
Program Coordinator
Community Services Department
City of Eureka
The City of Eureka adopted a Mandatory Garbage and Recycling Collection ordinance on June 3, 2008. The ordinance includes exclusions for households which can demonstrate that they legally recycle and/or compost virtually all solid waste so that no unsanitary condition, hazard to health, or public nuisance will arise upon the premises owned, managed or controlled by the household if it is not provided with collection and disposal services. All persons claiming this exclusion shall complete and sign this Declaration ONCE PER YEAR stating that they legally recycle and/or compost virtually all their solid waste in conformance with the ordinance.

Please Complete ALL of the Following Property, Ownership and Contact Information:
(Contact info is required in the event we have follow up questions)

DECLARATION
I declare that the information I have provided on this Recycler’s Declaration is true and accurate, and that I legally recycle, compost and divert out of the landfill virtually all of my household’s solid waste in conformance with Eureka’s Solid Waste ordinance. I agree to continue disposing of my household waste items in the manner I have described on this Declaration, and declare that no unsanitary condition, hazard to health, or public nuisance will arise upon the premises owned, managed or controlled by me if it is not provided with collection and disposal services.

I understand that any significant deviation from what has been declared on this document may be a considered a violation which can result in the revocation of this exclusion, and/or result in the assessment of penalties under Eureka Municipal Code section 10.99.

*Signature of Property Owner or Tenant  
*Printed Name of Property Owner or Tenant

*Birthday of Property Owner or Tenant  
(required information for tracking software)  
*Today’s Date

*This is only required by the person filling this form out, which should be the person currently occupying the property.
