You can now pay your City of Eureka water and sewer bill online!

To create or log into an online payment account for the City of Eureka please visit https://www.municipalonlinepayments.com/eurekaca

You can create an account by using your email address as your login and entering a password.

Once the account has been created, you will receive an activation email from the online payment system. Please complete the steps in the activation email.

The first time you access your account, you will be required to enter the following 2 pieces of information:

1.) Your utility billing account number(s) exactly as it is shown on your bill (including dashes). The format of the account number is 9999-999999-99

2.) The amount of the last payment made on the account. If you have just opened your utility billing account and have not paid a utility bill yet, enter 0.00.

Note: If you have multiple utility accounts with the City of Eureka, you can add as many of these accounts as you want to your online payment profile by entering the above 2 pieces of information about each account.

Once you’ve added your account(s) to your login, you will be able to see information about your account including:

- The type of service on the account
- The billing and payment history
- A comparison of the last 2 years of consumption history

You will also be able to send an email to the City regarding your account and make payments on your account using a credit card, debit card or e-check.

If you have further questions regarding your account, please leave a message for the City of Eureka Water Dept. at (707) 441-4267 and a representative will return your call.
